

FISCAL NOTE

HB 449 - SB 818

February 27, 2005

SUMMARY OF BILL: Exempts from health club registration any health club operated as part of a licensed hospital exempt from property taxation.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues – Exceeds \$1,800
Decrease State Expenditures – Not Significant

Assumptions:

- A decrease in state revenues from registration fees that will no longer be collected under the provisions of this bill. At least 12 entities will not be required to pay a \$150 annual registration fee. If one of these entities has multiple locations that will be exempt, the loss of revenues will be greater.
- A not significant decrease in state expenditures from not having to regulate and register exempt entities.
